

How Much Risk
Is Right For You?

Managing Risk on Nevada Farms and Ranches

The USDA's Risk Management Agency and Custom Ag Solutions invite you to learn new risk management strategies and discover the right level of risk for you and your operation.

Participate in a FREE **RightRisk** workshop in Yerington on March 8, 2007. The presentations and activities will help you and your family or business partners gain a better understanding of the risks faced by your operation and your personal risk preferences AND ways to manage those risks using crop insurance and other controls.

Thursday, March 8th 2007
10:00 a.m. - 2:00 p.m.
a working lunch will be served at noon
Casino West, Yerington Nevada

Presented by:

Rodney Sharp, Ag & Business Management Specialist, Colorado State University
John Deering, Ag & Business Management Specialist, Colorado State University

<input type="checkbox"/>	Making Smart Decisions For Ranch Survivability
