

How Much Risk Is Right For You?

Managing Risk on Wyoming Livestock Operations

The University of Wyoming and Campbell County Extension invite you to discover risk management strategies and the right level of risk for you and your operation.

Participate in a **RightRisk** workshop being held in Gillette. The presentations and activities will help you and your family or business partners gain a better understanding of the risks faced by your operation and your personal risk preferences.

Monday, February 5th, 2007

1:00 pm - 4:00 pm

Campbell County Extension Office ~ Gillette, Wyoming
