

## Managing Risk on Massachusetts Farms

The USDA's Risk Management Agency and Custom Ag Solutions invite you to learn new risk management strategies and discover the right level of risk for you and your operation.

Participate in a FREE **RightRisk** workshop, co-sponsored by the Massachusetts Farm Bureau Federation, being held in Sturbridge. The presentations and activities will help you and your family or business partners gain a better understanding of the risks faced by your operation and your personal risk preferences AND ways to manage those risks using crop insurance and other controls.

**Tuesday, February 27th 2007**

**2:00 p.m. - 6:00 p.m.**

*a working dinner will be served at 5:00 p.m.*

**Sturbridge Host Resort, Sturbridge Massachusetts**

**Presented by:**

John P. Hewlett, Ranch/Farm Management Specialist, University of Wyoming  
Jay Parsons, Assistant Professor, Colorado State University

<input type="checkbox"/>	<b>A 10-Step Process for Strategic Risk Management</b>
<input type="checkbox"/>	<b>Assessing Your Risks in Agriculture</b>
<input type="checkbox"/>	<b>Ag Survivor (a RightRisk Simulation) - Making Risk Management Decisions on the Wheatfields Farm</b>
