

## Help Wanted: The next Generation of Agricultural Producers

The USDA's Risk Management Agency and Custom Ag Solutions invite you to learn new risk management strategies and discover the right level of risk for you and your operation.

Participate in a FREE **RightRisk** workshop, co-sponsored by the Massachusetts Farm Bureau Federation, being held in Hadley. The presentations and activities will help you and your family or business partners gain a better understanding of the risks faced by your operation and your personal risk preferences AND ways to manage those risks.

**Monday, February 28th 2011**

**7:00 p.m. - 8:30 p.m.**

*light refreshments will be served*

**Comfort Inn ~ Hadley Massachusetts**

**Presented by:**

John P. Hewlett, Ranch/Farm Management Specialist, University of Wyoming  
Jay Parsons, Assistant Professor, Colorado State University

<input type="checkbox"/>	<b>Opening Session– The aging ag population, funding sources, more</b>
<input type="checkbox"/>	<b>Determining Feasibility of New Ag Ventures</b>
<input type="checkbox"/>	<b>Records Needed for Ag Programs</b>
<input type="checkbox"/>	<b>Open Forum– Issues getting Started with Agricultural Management</b>
