

Drought risk management & tools to evaluate your strategy

The USDA's Risk Management Agency, Custom Ag Solutions and Utah State University invite you to join us for **Drought Risk Management and Tools to Evaluate Your Strategy** a risk management workshop that will help your farm *thrive* in today's challenging environment. Workshop presentations and activities are designed to help you and your family or business partners gain a better understanding of how to manage risk in your farm operation.

Tuesday, April 9th 2013

7:00 - 9:00 p.m.

**San Juan County Courthouse
117 South Main - Monticello**
