

Estimating cost of production & Tools for risk assessment

The USDA's Risk Management Agency, Custom Ag Solutions and Utah State University invite you to join us for **Estimating cost of production and Livestock Price Risk Management Tools** a risk management workshop that will help you *thrive* in today's challenging environment. Workshop presentations and activities are designed to help you and your family or business partners gain a better understanding of how to manage risk in your farm operation.

Wednesday, March 19th 2014

6:00 p.m. - 8:30 p.m.

Carbon County Event Center

310 S Fairgrounds Rd, Price, UT 84501
