

Surviving in Agriculture

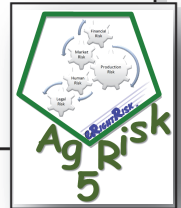

The USDA's Risk Management Agency, Delaware Tech and AgRAEIS invite you to join us for **Surviving in Agriculture** a risk management workshop that will help your farm thrive in today's challenging environment. The workshop is designed to help you gain a better understanding of how to manage risk in your farm operation.

September 14th, 2016

5:00 - 8:20P

**Agriculture Building 1103
Georgetown Campus**

How Much Risk Is Right For You?
