

How Much Risk
Is Right For You?

Ag Survivor - A Risk Simulation for Hawaiian Farms & Ranches

The University of Hawai'i, Mānoa and CTAHR invite you to experience **Ag Survivor**, a **RightRisk** simulation.

Participate in a **RightRisk** workshop being held on the University of Hawai'i campus. The presentations and activities allow first-hand experience with a new risk management tool allowing producers to gain a better understanding of the risks faced in their operations and personal risk preferences. Over 100 programs have been successfully offered across more than a dozen states.

Tuesday, January 9, 2007

1:00 pm - 3:00 pm

Animal Science Conference Room, University of Hawai'i
